Salon **at the Y**

**Boutique Feel,
Exceptional Service,
Hair Experts.**

Here at Salon at the Y, we do more than style hair.

We support the YMCA's Social Impact initiatives across South East Queensland, including the Schools' Breakfast Program, Vocational Schools, Cancer Survivors Program, Community Centres, Affordable Housing, Youth Mentoring and more.

Our salon also has a special connection with the YMCA's Vocational Education and Training program, empowering young people on their journey to employment through placements in our salon.

When you visit Salon at the Y, you are not only getting a stylish haircut – you are helping to keep these programs running.
