**DON'T MISS OUT  
ON THIS HISTORIC EVENT.**

**This will be the last time  
we hold this event at  
Victoria Park Golf Course.**

Brisbane City Council  
plans to repurpose the  
venue into a public and  
leisure space in late 2020.

**REGISTER YOUR  
TEAM TODAY!**

## YMCA SCHOOLS BREAKFAST PROGRAM

**This year, our Charity Golf Day will be raising much needed funds for our YMCA Schools' Breakfast Program.**

The YMCA Schools' Breakfast Program has been running for 13 years and is currently being offered in more than 110 schools in south east Queensland and provides meals to more than 10,000 students a week.

**A significant number of children come to school without having had breakfast or a substantially healthy breakfast.**

This is something they are not able to control and as a result these children are disadvantaged by hunger and poor nutrition. Not only does this affect their education, but it also affects their long term health and wellbeing.

**Sadly, there are families and children who rely on this program's existence so it's sustainability is crucial to them.**

Even with the continued growth of the program, **there are more schools in need of support** and who are struggling to offer the program due to associated costs and low supplies of food.

Our YMCA Schools' Breakfast Program provides an average of **70,000 healthy breakfast meals each month**. The program supports schools by providing food, equipment and support free of charge, so that schools are able to provide breakfast free of charge to all children.

Our aim is to ensure students are provided with the best opportunity to make the most of their education and develop healthy eating habits.

**The impact of the YMCA Schools' Breakfast Program includes:**

- Maximising behavioural outcomes in the classroom
- Enhancing student engagement and connectedness
- Positively impacting student academic performance

Fundraising from events like the **YMCA Charity Golf Day**, ensure we can continue to deliver this important program to the areas and children who need it most.

**REGISTER YOUR TEAM TODAY.**

**Your support can make a real difference  
to the lives of these children.**

## THE FACTS

### YMCA SCHOOLS' BREAKFAST PROGRAM

On a typical day **3 students in every classroom** will arrive to school hungry or without having eaten breakfast

Breakfast provides a foundation for **learning and focus**

Teachers estimate that an average student **loses 2 hrs of learning time a day** when they come to school hungry

**4 out of 5 teachers see the negative impact** of students coming to school hungry

Participation with the program **improves classroom behaviour**

**Your sponsorship will fund thousands of breakfast meals for hungry school children.**

Don't miss out on this special event.
