## NEW 2021 VENUE The Brisbane Golf Club

This course will prove a crowd favourite and be sure to spark some team competition: there are 73 bunkers to enjoy, as well as ponds and lakes across 12 of the 18 holes.

**REGISTER YOUR TEAM TODAY!**

## YMCA SCHOOLS' BREAKFAST PROGRAM

**This year, our Charity Golf Day will be raising much-needed funds for our YMCA Schools' Breakfast Program.**

Every child deserves the right to a nutritious breakfast before school. The YMCA Schools' Breakfast Program provides free breakfasts to students disadvantaged by hunger and poor nutrition in over 110 schools in South East Queensland, and counting!

Our YMCA Schools' Breakfast Program provides an average of 70,000 healthy breakfast meals each month.

A healthy breakfast can give children the energy they need to focus in class, actively participate in social activities and regulate their behaviour.

Your sponsorship will fund thousands of breakfast meals for hungry school children. With your help, we can change the lives of children.

## YMCA CANCER SURVIVORS PROGRAM

**This year, our Charity Golf Day will also be raising much-needed funds for our Cancer Survivors Program.**

YMCA Cancer Survivors is a free 12-week physical activity and support program for anyone living with, through and beyond cancer.

Around 30,000 Queenslanders are diagnosed with cancer every year. Treatments such as chemotherapy, radiation therapy and surgery can be intense.

We provide a safe exercise environment for cancer survivors to gain and reclaim their health and wellbeing, as well as make strong friendships with others going through the same experience.

By attending the YMCA Charity Golf Day, you'll be sponsoring participants to receive their own tailored fitness program.

**REGISTER YOUR TEAM TODAY.**

**Your support can make a real difference.**

### THE FACTS

YMCA Schools' Breakfast Program

On a typical day, **3 students in every classroom** will arrive to school hungry or without having eaten breakfast.

Teachers estimate that an average student **loses 2 hrs of learning time a day** when they come to school hungry.

### THE FACTS

YMCA Cancer Survivors Program

Exercise can **reduce the side effects** of cancer treatment.

A healthy exercise routine can **reduce the risk of cancer reoccurrence**.

**Your sponsorship will support thousands of South East Queenslanders.**

Don't miss out on this special event.
